

Psychology Lab

List of the Equipment/Tests /Tools/Questionnaires/Apparatus available in the laboratory:

1. Mental Fatigue Test.
2. Controller Associate Test with Manual
3. Recall of Completed and incomplete Test.
4. Tables of Psychological and Educational statistics Compiled
5. Career options awareness scale
6. Eysencks personality Questionnaire
7. Paired Associate Learning
8. Retroactive inhibition
9. Notebook of Psychological Experiment Testing
10. Decision making scale
11. Vocational guidance need scale
12. Educational interest Record
13. Free Association test with manual English
14. Teaching aptitude test battery
15. Span of immediate Memory
16. Career preference test
17. Substitution learning or code learning with manual
18. Language creativity test.
19. Group test of general mental ability test
20. Serial Learning
21. Tweezer Dexterity Board with pins manual
22. Baqar Mehdi NonVerbal Test of creativity thinking.
23. Depth perception apparatus with manual
24. Test perception with manual
25. Retroactive inhibition effect of similarity of original material
26. wooden screen
27. 16pf questionnaire

28. Memory Drum variable Speed electrical with manual.
29. Reaction time apparatus electronic measuring auditory visual
30. Test of scientific creativity
31. Original vertical illusion board stand manual.
32. Constancy Apparatus to study perception constancy
33. Tachistoscope
34. Wooden screen
35. Stop watch electronic digital
36. Bhatia Battery of performance intelligence test
37. Mirror drawing Apparatus
38. Measuring Physical grip model
39. Normal probability Curve
40. Finger Dexterity Board with pins manual
41. Photographs Of Eminent Psychologists Educationists
42. Colour Preference in the basis of Paired Comparison method

Psychology Lab.

List of Equipments/Models/Items available in Geography Lab, IASE Srinagar.

1. Global Positioning System (GPS)
2. Plane Table Surveying Set including Ranging Rods
3. Dumpy Level
4. Prismatic Compass
5. Hygrometer
6. Binocular
