REPORT ON INTERACTION SESSION FOR ON-JOB TRAINING PLACEMENTS

The HR Department of **Foundation World School, Mamath Budgam**, in collaboration with the Government College of Education (IASE) Srinagar, conducted an *Interaction Session for On-Job Training Placements* on **23rd of August 2025**.

The session focused on evaluating the teaching potential and readiness of ongoing B.Ed. 4th semester students, familiarizing them with the school's environment and professional expectations, and finalizing candidates for on-job training through direct interaction and assessment.

A total of 13 students, escorted by **Prof. Mohd. Ishaq Dar**, Co Convener Placement Cell, participated in the program, including 11 students from the B.Ed. 4th Semester and 2 students registered with the College Placement Cell.

Session Highlights

- The program began with a formal welcome and introductory address by the HR, Foundation World School.
- A detailed presentation was delivered, highlighting the structure, expectations, and benefits of the on-job training program.
- Each student took part in a one-on-one interaction with the HR and academic team.

The assessment focused on subject expertise, communication skills, pedagogical understanding, and professional commitment. Students also shared their teaching philosophies and career goals.

Outcome

The session enabled the panel to identify candidates who demonstrated:

- Strong subject knowledge
- Promising teaching aptitude
- A proactive learning attitude

A list of shortlisted candidates will be finalized and announced shortly. Selected students will be offered the opportunity to undergo on-job training at Foundation World School, under the mentorship of experienced faculty members.

Speaking on the occasion, Prof. Mohd. Ishaq Dar noted that interaction sessions of this kind not only allow students to align their learning with real-world demands, but also help schools in identifying and nurturing future educators who can contribute meaningfully to the academic community. He also proposed a Memorandum of Understanding (MoU) between IASE Srinagar and Foundation World School—a suggestion that was positively received by the HR team, with plans to formalize it in the near future. The report was documented by Prof Feroz Ahmad Wani, Member College Placement Cell.
