Pledge Ceremony of Energy Conservation organised in connection with National Energy Conservation Day at Government College of Education (IASE), Srinagar. A Brief Report.

Dated: 12th December 2025

The National Energy Conservation Day is observed every year on the 14th of December across the country to reaffirm the collective commitment towards the judicious use of energy, minimisation of wastage, and the adoption of energy-efficient practices in daily life. In line with this nationwide campaign, the Government College of Education, IASE Srinagar organised a *Pledge Ceremony on Energy Conservation* on the 12th of December 2025 within the college premises.

The event commenced with the gathering of faculty members and students, reflecting the institution's dedication to spreading awareness about responsible energy use. The programme began with a brief introduction to the significance of Energy Conservation Day, highlighting the increasing need to promote sustainable habits and reduce the burden on natural resources.

The pledge ceremony was conducted in a bilingual format to ensure wider understanding and participation.

- The Energy Conservation Pledge in English was read out by Mr. Tariq Ahmad Wagay, a student of B.Ed 2nd Semester.

Energy Conservation Pledge (English)

"I pledge to conserve energy in every possible way.

I will promote the use of energy-efficient, star-rated appliances at home, in colleges, and in my surroundings.

I will adopt simple habits such as switching off appliances when not in use, using natural light wherever possible, and preventing wastage of energy.

I also pledge to inspire my friends, family, and community to join the mission of energy conservation.

Through these efforts, I acknowledge that I will contribute to reducing electricity consumption, conserving natural resources and supporting our nation's goals to lower carbon emission promote environmental sustainability.

- The Pledge in Hindi was administered by Mr. Kirn Koul, also a student of B.Ed 2nd Semester.

Energy Conservation Pledge (Hindi)

"मैं हर संभव तरीके से ऊर्जा की बचत करने की प्रतिज्ञा करता/करती हूँ।

मैं अपने घर, स्कूल और आसपास ऊर्जा-कुशल, स्टार-रेटेड उपकरणों के उपयोग को बढ़ावा दूँगा/दूँगी।

मैं सरल आदतें अपनाऊँगा/अपनाऊँगी, जैसे उपकरणों को उपयोग न होने पर बंद रखना, जहाँ संभव हो प्राकृतिक प्रकाश का उपयोग करना, और ऊर्जा की बर्बादी रोकना।

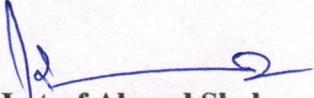

मैं अपने मित्रों, परिवार और समुदाय को भी ऊर्जा संरक्षण के इस अभियान से जुड़ने के लिए प्रेरित करूँगा करूँगी।

इन प्रयासों के माध्यम से, मैं स्वीकार करता/करती हूँ कि मैं बिजली की खपत कम करने, प्राकृतिक संसाधनों को संरक्षित करने तथा हमारे देश के कार्बन उत्सर्जन को घटाने और पर्यावरणीय स्थिरता के लक्ष्यों को समर्थन देने में योगदान दूँगा/दूँगी।"

Participants enthusiastically repeated the pledge, committing themselves to conserve energy, prevent unnecessary wastage, and encourage others to adopt similar practices in their daily lives.

Following the pledge, **Prof. Lateef Ahmad Shah**, Convener, College Development Committee, delivered an insightful deliberation on the importance of energy conservation. He emphasised the need for behavioural change, mindful consumption, and the integration of energy-efficient technologies in households, institutions, and workplaces. Prof. Shah also underscored the role of educational institutions in shaping environmentally responsible citizens who can contribute meaningfully to national sustainability goals.

The event concluded with a vote of thanks, acknowledging the active participation of faculty and students in making the ceremony purposeful and impactful. The programme served as a reminder of the shared responsibility to safeguard energy resources for future generations.
